Student Enrollment Policies

Tier 1 students are students who are enrolled in a NJ public school in their resident school district during the time of application and for the entire year immediately preceding enrollment in a choice district. If a student moved during the school year and attended the resident public school of his/her old district of residence, they are also considered Tier 1. Choice districts must first fill their available seats with Tier 1 students. If the number of Tier 1 applications exceeds the number of choice seats available, the choice district must hold a lottery to randomly select students. Charter school students are considered to be Tier 1. To qualify as Tier 1 for kindergarten, a student must be attending their resident district preschool, or a student has a sibling attending the choice district in the current year and the sibling will continue to be enrolled in the following year..

Tier 2 students include NJ residents who have *not* attended their resident public school for the entire year immediately prior to enrollment in the desired choice district and do *not* otherwise meet the requirements for Tier 1. This includes students who have been attending public school outside their districts of residence or private school. Tier 2 students also include students applying for kindergarten who are **not** attending their resident district preschool and do not have a sibling attending the choice district in the current year.

Choice districts are not obligated to accept Tier 2 students. If a choice district accepts Tier 2 applicants, they may do so only *after all the qualified Tier 1 applicants have been accepted*. If the number of Tier 2 applications exceeds the number of choice seats available, the choice district must hold a Tier 2 lottery to select students.

Enrollment preference may be given to students in the following circumstances: 1) applicants with siblings enrolled in the choice district in the current year and will continue to be enrolled in the following year; 2) applicants who will have completed the terminal grade of a sending choice district (i.e., students who attend a choice district with grades that terminate before 12th grade and with a natural progression to the choice district); and 3) resident students of the choice district who move during the school year but *before the application deadline* and want to remain in the choice district the following year. Your student's enrollment preference status will be determined from the information you provide in this application.

Sussex-Wantage Regional School District has adopted the following policies regarding student enrollment:

District Choice Policies	Does Policy Apply?
a. The district accepts Tier 2 students.	YES
b. The district gives enrollment preference to students who have a sibling currently attending the choice district, provided they will enroll in a choice-approved grade/program, they meet any program-specific criteria, and the district has seats available in the desired grades.	YES
c. The district gives enrollment preference to choice students who have completed the terminal grade of the sending district (i.e., students who attend a choice district with grades that terminate before 12th grade and with a natural progression to this choice district), provided they will enroll in a choice-approved grade/program, they meet any program-specific criteria and the district has seats available in the desired grades.	Not Applicable
d. The district gives enrollment preference to resident students who move *before the application deadline*. If resident students move and file choice applications for the following year prior to the deadline, the district will give them enrollment preference (i.e., accept them ahead of other applicants, but after the enrollment preference students described in b. and c. above), provided there are choice seats available in the choice-approved grades/ programs and the students meet any program-specific criteria. *If the district has already reached its approved choice enrollment maximum, this preference will not apply.*	YES
e. The district gives special consideration to resident students who move *after* the application deadline. Students in this situation may apply as late applicants and be added to the *front of the district's waitlist*, provided the students will enroll in a choice-approved grade/program and they meet any program-specific criteria. No additional choice seats above the approved maximum will be approved by the NJDOE to accommodate these students.	YES
