January 11, 2021

Dear Sussex-Wantage Community:

This letter is to inform you that two individuals in the Sussex-Wantage Regional School District have tested positive for COVID-19. We have notified the Sussex County Department of Health (DOH) and are following their guidance in order to ensure the health and safety of our school community. These instances are new and in addition to the circumstances reported last week.

The symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, vomiting, and diarrhea. Individuals who need medical care should call their medical provider to report their illness prior to seeking care at a clinic, physician's office, or hospital. As always, we appreciate your support, patience, and cooperation.

Sincerely

Michael Gall  
Superintendent/Principal CE Lawrence School
