January 21, 2022

Dear Sussex-Wantage Community:

This letter is to inform you of the instances of COVID-19 in the Sussex-Wantage Regional School District throughout the entire past week. Throughout the week, ten cases were associated with Lawrence School, thirteen cases were associated with Wantage School, and ten cases were associated with Sussex Middle School. We consistently maintain collaboration with the Sussex County Department of Health regarding instances of COVID-19. All close contacts have already been notified. These cases will not impact our in person operations.

The symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, vomiting, and diarrhea. Individuals who need medical care should call their medical provider to report their illness prior to seeking care at a clinic, physician's office, or hospital. ***Individuals with symptoms of any illness should not report to school.***

Sincerely

Michael Gall  
Superintendent/Principal CE Lawrence School
