November 10, 2021

Dear Sussex-Wantage Community:

This letter is to inform you that three individuals in the Sussex-Wantage Regional School District tested positive for COVID-19. One case is associated with Clifton E. Lawrence School, one case is associated with Sussex Middle School, and one case is associated with Wantage School. We consistently maintain collaboration with the Sussex County Department of Health and there were no close contacts on our campus due to the extended break last weekend. These cases will not impact our in person operations.

The symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, vomiting, and diarrhea. Individuals who need medical care should call their medical provider to report their illness prior to seeking care at a clinic, physician's office, or hospital. ***Individuals with symptoms of any illness should not report to school.***

Sincerely

Michael Gall
Superintendent/Principal CE Lawrence School
