November 16, 2021

Dear Sussex-Wantage Community:

This letter is to inform you that nine individuals in the Sussex-Wantage Regional School District tested positive for COVID-19. Four cases are associated with the Clifton E. Lawrence School and five cases are associated with Wantage School. We consistently maintain collaboration with the Sussex County Department of Health and there were no close contacts on our campus. These cases will not impact our in person operations.

The symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, vomiting, and diarrhea. Individuals who need medical care should call their medical provider to report their illness prior to seeking care at a clinic, physician's office, or hospital. ***Individuals with symptoms of any illness should not report to school.***

Sincerely

Michael Gall  
Superintendent/Principal CE Lawrence School
