December 3, 2020

Dear Sussex-Wantage Community:

This letter is to inform you that an individual in the Wantage Elementary School has tested positive for COVID-19. We have notified the Sussex County Department of Health (DOH) and are following their guidance in order to ensure the health and safety of our school community. At this time, all individuals who were deemed to be close contacts have already been notified by our nursing staff and no additional action will be taken.

The symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, vomiting, and diarrhea. Individuals who need medical care should call their medical provider to report their illness prior to seeking care at a clinic, physician's office, or hospital. As always, we appreciate your support, patience, and cooperation.

Sincerely

Michael Gall
Superintendent/Principal CE Lawrence School
