February 4, 2021

Dear Sussex-Wantage Community:

This letter is to inform you that one individual in the Sussex-Wantage Regional School District has tested positive for COVID-19. We continue to remain in contact with the Sussex County Department of Health (DOH) as needed. In this instance the individual has not had any “close contact” with district stakeholders due to the recent inclement weather closure. Therefore, no further action will be taken and this case will not impact our operations.

The symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, vomiting, and diarrhea. Individuals who need medical care should call their medical provider to report their illness prior to seeking care at a clinic, physician’s office, or hospital. ***Individuals with symptoms of any illness should not report to school.*** As always, we appreciate your support, patience, and cooperation.

Sincerely

Michael Gall
Superintendent/Principal CE Lawrence School
