September 22, 2021

Dear Sussex-Wantage Community:

This letter is to inform you that seven individuals in the Sussex-Wantage Regional School District tested positive for COVID-19. Two cases are associated with the Lawrence School, two cases are associated with the Wantage School, one case is associated with a transportation service provider, and the other two cases are associated with Sussex Middle School. We have been in contact with the Sussex County Department of Health and all close contacts have been notified. These cases will not impact our in person operations.

The symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, vomiting, and diarrhea. Individuals who need medical care should call their medical provider to report their illness prior to seeking care at a clinic, physician's office, or hospital. ***Individuals with symptoms of any illness should not report to school.***

Sincerely

Michael Gall
Superintendent/Principal CE Lawrence School
