Dear Sussex-Wantage Community:

This letter is to inform you that one individual in the Sussex-Wantage Regional School District tested positive for COVID-19. This case is associated with the Lawrence School and necessitated the quarantining of one classroom. This classroom has already been notified. We have been in contact with the Sussex County Department of Health and all close contacts have been notified. This case will not impact our in person operations.

The symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, vomiting, and diarrhea. Individuals who need medical care should call their medical provider to report their illness prior to seeking care at a clinic, physician's office, or hospital. ***Individuals with symptoms of any illness should not report to school.***

Sincerely

Michael Gall  
Superintendent/Principal CE Lawrence School
