March 25, 2021

Dear Sussex-Wantage Community:

This letter is to inform you that two individuals associated with the Clifton E. Lawrence School have tested positive for COVID-19. In the first case, the individual has been operating remotely and no further action will be taken. In the second case, contact tracing was conducted and all close contacts have been notified. The Department of Health has also been informed. These cases will not impact our in person operations.

The symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, vomiting, and diarrhea. Individuals who need medical care should call their medical provider to report their illness prior to seeking care at a clinic, physician's office, or hospital. ***Individuals with symptoms of any illness should not report to school.*** As always, we appreciate your support, patience, and cooperation.

Sincerely

Michael Gall  
Superintendent/Principal CE Lawrence School
