April 1, 2021

Dear Sussex-Wantage Community:

This letter is to inform you that two individuals associated with the Clifton E. Lawrence School and one individual associated with Sussex Middle School have tested positive for COVID-19. In all cases, close contacts have been notified and the Department of Health has been informed. These cases will not impact our in person operations.

The symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, vomiting, and diarrhea. Individuals who need medical care should call their medical provider to report their illness prior to seeking care at a clinic, physician's office, or hospital. ***Individuals with symptoms of any illness should not report to school.***

As always, we appreciate your support, patience, and cooperation. We look forward to resuming full day, in person instruction on ***Monday, April 12th***. At this time, Wednesday will continue to be a remote learning day for all students. As we approach Spring Break we also want to remind everyone of the [NJ Travel Advisory](#) as it is an important component of NJ's health and safety procedures. We sincerely wish everyone a happy and healthy holiday break.

Sincerely

Michael Gall  
Superintendent/Principal CE Lawrence School
