Dear Sussex-Wantage Community:

This letter is to inform you that we had 15 individuals test positive for COVID-19 during Spring Break as follows:

Clifton E. Lawrence School- 4
Wantage Elementary School- 5
Sussex Middle School- 6

These cases occurred during Spring Break and therefore will not impact our in person operations. Please understand that as we become aware of COVID-19 positive individuals we will continue to keep you informed in accordance with NJDOE guidelines.

The symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, vomiting, and diarrhea. Individuals who need medical care should call their medical provider to report their illness prior to seeking care at a clinic, physician's office, or hospital. ***Individuals with symptoms of any illness should not report to school.*** As always, we appreciate your support, patience, and cooperation.

Sincerely

Michael Gall
Superintendent/Principal CE Lawrence School
