April 3, 2021

Dear Sussex-Wantage Community:

This letter is to inform you that one individual associated with the Clifton E. Lawrence School and one individual associated with Wantage Elementary School have tested positive for COVID-19. In both cases, close contacts have already been notified by our staff. We also continue to work closely with the Department of Health as necessary. These cases will not impact our in person operations due to being on Spring Break.

The symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, vomiting, and diarrhea. Individuals who need medical care should call their medical provider to report their illness prior to seeking care at a clinic, physician's office, or hospital. ***Individuals with symptoms of any illness should not report to school.*** As always, we appreciate your support, patience, and cooperation.

Sincerely

Michael Gall
Superintendent/Principal CE Lawrence School
