Band Lessons with Mrs. Kelly Felsen

Play away those summertime blues with band lessons!

This program will provide individual instrumental lesson instruction for students currently enrolled in the 2018-2019 Instrumental Music program at Wantage School. These lessons will provide students with instrumental instruction focusing on the skills needed to continue on an instrument such as new notes, rhythms, and techniques. Lessons are also available to students wishing to switch instruments or start a new instrument for the 2019-2020 school year as a member of the 5th or 6th grade band. (Students wishing to switch instruments must talk to Mrs. Felsen prior to switching.)

Lessons will be offered on the following instruments: flute, clarinet, alto saxophone, trumpet, trombone, mallets and percussion. Students will need to provide an instrument and any supplies necessary (i.e. reeds, valve oil, etc) to maintain the instrument for this program; no instruments will be provided by the Sussex-Wantage Regional School District.

Individual lessons are thirty minutes in length, once a week for 3 weeks, on Tuesday mornings: June 25th, July 2nd, and July 9th. Exact times to be determined (additional paperwork will go home with students after they have signed up for the program). Cost is \$60 total (plus the cost of any individual supplies) for the 3 week program.

Please send your registration form and check made out to SWBOE to Mrs. Felsen at the Wantage School.

Any questions, please contact Mrs. Felsen at kfelsen@swregional.org or 973-875-4589.

Please complete and return bottom portion with your payment to Mrs. Felsen by June 20, 2019

Model Rocketry with Mr. Dave Pasake

Have a Blast this summer! Here is your chance to build and fly your own model rocket. This program will be offered during the week of **June 24 - 28** to students going into fourth grade and above. There will be two or three sessions each day from Monday through Thursday at the SMS/Wantage School for learning about and building the model rockets. On Friday, we will have a group launch at the Wantage School playground beginning at 9:00am.

Monday - Thursday Sessions:

8:30am - 9:45am Class 1 - New students entering grades 4 or 5.

9:45am - 11:00am Class 2 - Students entering grades 5, 6, 7, or 8 that have taken one class.

11:00am - 12:30pm Class 3 - Students in grades 6, 7 or 8 with adequate experience.

All three classes will learn the safety issues regarding this hobby and learn the "how tos" for developing this into a rewarding hobby. The safety and well-being of each student is a priority both in class and during the launch, so students must conduct themselves and behave appropriately. The cost for each student is \$50.00 for first child and \$35.00 for additional siblings. There will be a limit of 15 students for each class. We welcome all families to attend Friday's launch. Bring your lawn chair and sunglasses.

Please send your registration form and check made out to SWBOE to Mr. Pasake at the Wantage School.

Any questions, please contact Mr. Pasake at dpasake@swregional.org or 973-875-4589.

Please complete and return bottom portion with your payment to Mr. Pasake by June 20, 2019.
