Sussex-Wantage Regional School District is currently participating in a program that allows any students who wish to receive lunch and/or breakfast can do so at no cost to parents/guardians.

At CEL, all your child needs to do is tell their teacher in the morning when they want breakfast or lunch. At this time, at CEL students are eating lunch in the classroom and we have a limited menu due to COVID which consists of mostly grab and go style sandwiches. As we continue to move forward we hope to reintegrate students into the cafeteria.

### MORE HOLIDAY TREE PICS...

Just a reminder that as the weather gets colder, please ensure students dress appropriately for the colder temperatures. Please consider layers if they get too hot in the building. We go outside for recess as much as possible.

Please be advised that for the foreseeable future, we are not permitting class treats (food items) to be brought in for things like birthday parties. In the alternative students may bring in non food items for birthday celebrations. We are very sorry, but this is a proactive measure in response to COVID-19. At this time, we are also not able to facilitate outside social gatherings such as parties. We understand that this is less than ideal and we apologize for any inconvenience that this may cause.

## CAUTION

### Drop Off & Pick Up

Please exercise caution when dropping off your children and do not pass other vehicles. If you perceive that you may need "extra" time for drop off, please park your vehicle in the parking lot and walk your child to the front door. For pick up, parents and guardians should park and walk to the doors nearest the playground.

### NORWESCAP

The NORWESCAP Food Bank is working with CEL to once again offer the Backpack Program! This FREE program allows your child to bring home a "backpack" of food each Friday throughout the school year. The program will get underway soon, so please reach out to Mrs. Yakupcin or Mrs. Ferraro if you are interested!

Project Self-Sufficiency is offering FREE complete Thanksgiving dinners to local families in need! Hundreds of delicious holiday dinners are distributed each year by PSS. If your family is in need this holiday season, please CALL Project Self Sufficiency at 973-940-3500 or 844-807-3500. This Christmas season, Project Self-Sufficiency is again sponsoring the "Season of Hope." This program was put into place to help struggling families provide toys and memories to their children. There is NO COST and families MUST register in advance to receive toys! To register, call 973-940-3500.
