

# *Sussex - Wantage Care Programs 2018-2019*

## **Welcome!**

The *Sussex-Wantage Care Programs* are now consolidated at the *Wantage School*. We will continue to provide service for Lawrence School students, but we will be housed at the Wantage School. Two classrooms will be utilized for grades K-2 and grades 3-8.

Program goals will be developmentally appropriate for each classroom. The children in the K-2 classroom will be transported to and from Lawrence School each day. Children will be kept secure and supervised at all times. Morning Care students are dropped off at the Wantage School south playground door. The door person will allow entry and then parents will sign in children. Lawrence School students will be escorted to their bus at 8:20 am to arrive safely at Lawrence School for the start of classes. Sussex Middle School students will go to their bus at 8:10 am.

All AfterCare students are picked up at Wantage School rear gym doors. AfterCare is open until 6:00 pm. Both Lawrence and Sussex Middle students will be transported to Wantage School where attendance will be taken for security.

**We look forward to an exciting and productive year!**
