Welcome to the Care Program 2020-2021

The Sussex-Wantage Care Programs were designed to offer a safe, caring environment for your child/children. We are aware that parents need to work during this pandemic, but we must ask that all parents are willing to follow guidelines to keep children safe at all times.

At this time, the Board has opted for two half-day in school days during the initial phase of reopening. Those are the two days per week your child may attend Care programs. Morning Care will open at 7:00 AM and After Care will open at 1:30 PM until 6:00 PM for working parents. Please be aware there is a change in billing as you will be charged for two days per week. When the school enters a new phase of reopening, our billing will also change. Thank you in advance for your patience and understanding.

Due to Covid 19 Pandemic, major changes have been made to the program.

Upon entry each morning, and leaving each afternoon students will have temperature checked

- *All students are required to wear face masks at all times except when eating or drinking*
- *Children must have personal pencil, crayons and other items in container for personal use. No sharing items*
- *Children will be placed in classrooms in groups of 10-12 with social distancing practiced.*
- *Children are encouraged to wash hands often and use hand sanitizer where appropriate.*
- *Limited interaction with toys and equipment will be encouraged.*

SWPTO membership fees are being waived for the 2020 - 2021 school year, so all Sussex-Wantage families, teachers, and staff can be members of the PTO at no cost! You must register, sign up here: <https://zfrmz.com/QqSUa6kK3tVvlpvqcwn3>

Sussex-Wantage Wrestling Club

Who are we?

A proud, and long-standing youth athletic program with a tradition of success with children from the Sussex-Wantage sending district. All students in grades K-8 are eligible to register for Sussex Wantage Wrestling Club.

What will my child get out of wrestling?

It is important to SWWC, that all of our athletes compete hard and give their best effort (in the community, classroom, home, practice and matches). For some, it may mean learning the basics and gaining better health and fitness. For others, it may mean competing for a state title. Whatever their goals, SWWC coaches will work with our children and encourage them to achieve their goals.

The sport of wrestling helps build character, perseverance, determination and reinforces teamwork. By becoming part of our program, your child will develop these characteristics and more!. Of course, SWWC will have some fun along the way as well!
