**Congratulations to our
Learning Disabilities
Consultant-Teacher, Mrs.

chosen as our 2019-20
Educational Services
Professional of the Year!**

It is that time of year when head lice can be discovered. Although this is no cause for alarm and the transmission of head lice in school is low, vigilance among all members of the school community is appreciated to avoid the spread of this pest. Additional information from the CDC about treatment and prevention can be found on the District's Nursing Website found here:

There is also information from the American Academy of Pediatrics here:

Drop Off & Pick Up

Please be advised that drop off is in the rear of the building and occurs between 8:15 a.m. and 8:45 a.m. Please exercise caution when dropping off your children. We respectfully request that children exit the vehicle on the passenger side closest to the building for safety.

For pick up, parents and guardians should park on the playground and walk to the doors nearest the fence. Pick up begins at 3:24 pm. Please have identification available when you pick up your child.

The parking area for pick up will be closed until 3:10 pm. We respectfully request that you do not arrive before then.

If you pick up your child and your child stays to play, please move your vehicle off the playground parking lot so Aftercare and Afterschool programs can use the facilities safely. We appreciate everyone's support with our procedures to ensure the safety of all of our students.
