Principal's Message

Flu season is here:

Seek medical attention right away if your child presents any of these symptoms.

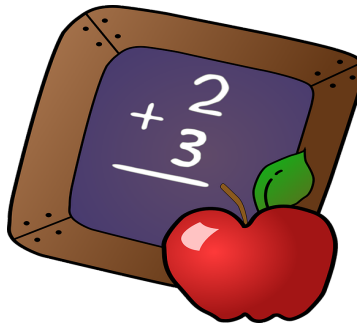

- *High and prolonged fever (102)*
- *Changes in mental condition, such as not waking up or not interacting*
- *Bluish or gray skin color*
- *Drop in body temperature*
- *Difficulty breathing*
- *Not able to take in the usual amount of fluids*
- *Flu-like symptoms improve but then return with fever or worse cough*
- *Worsening of underlying medical conditions*

Family Math Night

March 19, 2020

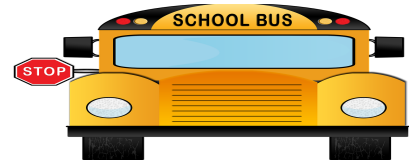

RSVP by March 2nd

Celebrity Readers

March 6th, 2019

March 2nd is Read Across America Day. This day promotes inspiring and motivating children to read everyday.

Drop Off & Pick Up

Please be advised that drop off is in the rear of the building and occurs between 8:15 a.m. and 8:45 am. Please exercise caution when dropping off your children. We respectfully request that children exit the vehicle on the passenger side closest to the building for safety.

For pick up, parents and guardians should park on the playground and walk to the doors nearest the fence. Pick up begins at 3:24 pm. Please have identification available when you pick up your child.

The parking area for pick up will be closed until 3:10 pm. We respectfully request that you do not arrive before then.

If you pick up your child and your child stays to play, please move your vehicle off the playground parking lot so Aftercare and Afterschool programs can use the facilities safely. We appreciate everyone's support with our procedures to ensure the safety of all of our students.

Kids Heart Challenge

Here's how it works:

- *Your child has received his or her fundraising envelope. Start by setting up a personal fundraising page—easy directions are on the envelope.*
- *Ask family and friends if they'd like to donate. Not sure what to say? Your child can use the simple script on the collection envelope.*
- *Encourage your child to get ready to jump and have fun at our school's event!*

As part of Kids Heart Challenge, your child will choose a healthy challenge and share lifesaving tips. There is even a parent corner with tips on keeping your children healthy at home! Your child can earn fun prizes that encourage him or her to keep up the good work for heart health. Now that's something to jump up and down about!

Important information for our event:

Event Date: February 10 - 14, 2020 during P.E. class

Envelopes Due: February 14, 2020

Thank you for your support!

Please direct any questions to Mrs Thiele & Mrs. Gunes

The school store is open every Tuesday during lunches in the cafeteria. The items are selected or made by the community connection students and most items are under \$3.00.

Please ensure children are dressed for the Cooler Temperatures. We prefer to have outside recess whenever possible and want all students to be dressed appropriately.

Food of the Month

We will be partnering with ShopRite in Franklin to host this great program that encourages your children to taste new fruits and vegetables. It will be held on the last Wednesday of the month from January to May. ShopRite donates an unusual fruit or veggie and our wonderful PTO parents with supervision from our cafeteria staff, washes and cuts it up for students to try. No students are forced to taste the food and staff are aware of all allergies! This is a fun way to introduce new foods to your children! We also send home information about the food of the month and a recipe to try.

Free dietitian services are available at all of their stores. If you have any questions please call or email Mrs. Fisher: 973-875-3176 or dfisher@swregional.org

Mobile Dental Clinic

Zufall Health Center, which provides Dental services will be coming to Wantage Elementary School on Wednesday, February 12th from 9:00 AM to 2:00 PM.

This is an opportunity which is available to all students. In order for your child to be seen, it has to be more than six months since your child has been to a dentist.

Please take advantage of this wonderful opportunity. Be sure to sign up your child by February 10th.

Please call Mrs. Fisher, WES nurse, with any questions or concerns.
