Flu season is here:

Principal's Message

The playground is temporarily closed due to broken tree limbs that are hanging on the wood line near the playground area.

American Legion Coloring Contest

Congratulations to

1st Place winner:

Mason Sadowski

In addition to getting a flu vaccine, the Centers for Disease Control (CDC) recommends, "Taking Everyday Preventive Actions" to prevent the cold and flu.

These everyday actions include:

Avoid close contact.

Avoid close contact with people who are sick.

Stay home when you are sick.

If possible, stay home from work, school, and errands when you are sick.

Cover your mouth and nose.

Cover your mouth and nose with a tissue when coughing or sneezing.

Clean your hands.

Washing your hands often will help protect you from germs. If soap and water are not available, use an alcohol-based hand rub.

Avoid touching your eyes, nose or mouth.

Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth.

Practice other good health habits.

Clean and disinfect frequently touched surfaces at home, work or school, especially when someone is ill. Get plenty of sleep, be physically active, manage your stress, drink plenty of fluids, and eat nutritious food.

March 9 - May 14, 2020
For more information
& to register go to
www.gotrnjn.org

Family Math Night

March 19, 2020

RSVP by March 2nd

Kids Heart Challenge

Here's how it works:

- *Your child has received his or her fundraising envelope. Start by setting up a personal fundraising page—easy directions are on the envelope.*
- *Ask family and friends if they'd like to donate. Not sure what to say? Your child can use the simple script on the collection envelope.*
- *Encourage your child to get ready to jump and have fun at our school's event!*

As part of Kids Heart Challenge, your child will choose a healthy challenge and share lifesaving tips. There is even a parent corner with tips on keeping your children healthy at home! Your child can earn fun prizes that encourage him or her to keep up the good work for heart health. Now that's something to jump up and down about!

Important information for our event:

Event Date: February 10 - 14, 2020 during P.E. class

Envelopes Due: February 14, 2020

Thank you for your support!

Please direct any questions to Mrs Thiele & Mrs. Gunes

"Rock and Roll Forever!"

Please visit our website for up to date information:

The school store is open every Tuesday during lunches in the cafeteria. The items are selected or made by the community connection students and most items are under \$3.00.

Please ensure children are dressed for the Cooler Temperatures. We prefer to have outside recess whenever possible and want all students to be dressed appropriately.

Food of the Month

We will be partnering with ShopRite in Franklin to host this great program that encourages your children to taste new fruits and vegetables. It will be held on the last Wednesday of the month from January to May. ShopRite donates an unusual fruit or veggie and our wonderful PTO parents with supervision from our cafeteria staff, washes and cuts it up for students to try. No students are forced to taste the food and staff are aware of all allergies! This is a fun way to introduce new foods to your children! We also send home information about the food of the month and a recipe to try.

Free dietitian services are available at all of their stores. If you have any questions please call or email Mrs. Fisher: 973-875-3176 or dfisher@swregional.org

Mobile Dental Clinic

Zufall Health Center, which provides Dental services will be coming to Wantage Elementary School on Wednesday, February 12th from 9:00 AM to 2:00 PM.

This is an opportunity which is available to all students. In order for your child to be seen, it has to be more than six months since your child has been to a dentist.

Please take advantage of this wonderful opportunity. Be sure to sign up your child by February 10th.

Please call Mrs. Fisher, WES nurse, with any questions or concerns.
