Principal's Message

Tick awareness

While tick exposure can occur year-round, ticks are most active during warmer months. As a result of the season and increased outdoor activities, ticks have been spotted at our schools.

As a proactive measure, we respectfully request that you check your children before and after school. Please visit our nursing website for more information on ticks:

ART CLUB

Due to the large number of students in 3rd, 4th and 5th grade who expressed an interest in Art Club this year students were chosen through a lottery. Interested students were given an opportunity during Art class to place their name in the lottery for their grade level. Thirty students from each grade level (3rd, 4th and 5th) were randomly selected. The six Art Club sessions were broken up into 2 sessions for each grade level.

Students who had their names drawn received permission slips on Thursday, May 11th with all the information about dates and times.

Stuffed Animal Collection

Please help us collect gently used stuffed animals to donate to the Beemerville Fire House. These animals will then be given to children who may experience loss from a fire.

Thank you!

We greatly appreciate your support.
